Epson LabelWorks™ Pro100
Thermal Label Printer

Now you can quickly and easily print durable labels and small signs for use in facilities, maintenance departments, warehouses and manufacturing environments with Epson's lightweight and compact LabelWorks Pro100 printer.

- Ideal for printing facilities and maintenance signage
- Prints on a variety of 50mm/100mm plastic tapes
- Wide range of plastic label and text color combinations
- Crisp, clear 300 dpi printing resolution
- Accepts label data from Excel® or CSV formats
- Easy PC/Mac connections
- ENERGY STAR® qualified

Hassle-free label printing
Epson's cost-effective LabelWorks Pro100 is a rugged, compact, lightweight label system that delivers hassle-free label printing on plastic labels. Ideal for printing durable signage, it comes with a built-in cutter, label and ribbon cassettes for fast loading, easy-to-use label software and cabling for connectivity with any PC.

Flexible media and color choices
With LabelWorks Pro100, you can choose between 50 and 100mm wide plastic labels for durable, heat, cold and water-resistant labels that will hold up in the harshest environments. And with seven plastic label colors and five ribbon colors to choose from, it delivers a wide range of color combinations to bring impact to your labels and signs.

Easy label design features
Epson's LabelWorks Pro100 label software features an intuitive menu that makes designing labels a snap. It also features an application tool with a built-in spirit level to ensure labels are applied straight and without air pockets.

In addition, its borderless printing feature enables you to print to the label's edge, which means more labels per roll.

Environmentally-friendly features
The LabelWorks Pro100 is the first label printer to use chlorine-free Polyethylene-based Olefin plastic labels. And it's ENERGY STAR qualified making it an environmentally-friendly alternative to other durable signage printers.

Wide variety of uses
The LabelWorks Pro100 is ideal for anything from high-quality durable labels to temporary labels. It delivers durable facility and directional signs, factory signs, pipe markings, safety and environmental warning signs using color and graphics for high impact. And it can be used to print other labels from asset tags to shipping labels.

Backed by the leader
The LabelWorks Pro100 features the quality and reliability that Epson is known for and is backed by Epson's industry-leading service and support programs.
